

Office of the Assistant Secretary, HUD

§ 983.203

the HA must make the monthly housing assistance payments in accordance with the HAP contract for each unit occupied under lease by a family.

(Approved by the Office of Management and Budget under control number 2577-0169)

[60 FR 34717, July 3, 1995, as amended at 60 FR 45661, Sept. 1, 1995; 63 FR 23871, Apr. 30, 1998]

§ 983.152 Reduction of number of units covered by HAP contract.

(a) *Limitation on leasing to ineligible families.* Owners must lease all assisted units under HAP contract to eligible families. Leasing of vacant, assisted units to ineligible tenants is a violation of the HAP contract and grounds for all available legal remedies, including suspension or debarment from HUD programs and reduction of the number of units under the HAP contract, as set forth in paragraph (b) of this section. Once the HA has determined that a violation exists, the HA must notify the HUD field office of its determination and the suggested remedies. At the direction of the HUD field office, the HA must take the appropriate action.

(b) *Reduction for failure to lease to eligible families.* If, at any time beginning 180 calendar days after the effective date of the HAP contract, the owner fails for a period of 180 continuous calendar days to have the assisted units leased to families receiving housing assistance or to families who were eligible when they initially leased the unit but are no longer receiving housing assistance, the HA may, on at least 30 calendar days notice, reduce the number of units covered by the HAP contract. The HA may reduce the number of units to the number of units actually leased or available for leasing by eligible families plus 10 percent (rounded up). If the owner has only one unit under HAP contract and if one year has elapsed since the date of the last housing assistance payment, the HAP contract may be terminated with the consent of the owner.

(c) *Restoration.* The HA will agree to an amendment of the HAP contract to provide for subsequent restoration of any reduction made pursuant to paragraph (b) of this section if:

(1) The HA determines that the restoration is justified by demand,

(2) The owner otherwise has a record of compliance with obligations under the HAP contract; and

(3) Contract authority is available.

Subpart E—Management

§ 983.201 Responsibilities of the HA.

The HA must:

(a) Inspect the project before, during and upon completion of new construction or rehabilitation; and

(b) Ensure that the amount of assistance that is attached to units is within the amounts available under the ACC.

[63 FR 23871, Apr. 30, 1998]

§ 983.202 Responsibilities of the owner.

Section 982.452 of this chapter, *Owner responsibilities*, applies. The owner is also responsible for performing all of the owner responsibilities under the Agreement and the HAP contract, providing the HA with a copy of any termination of tenancy notification, and offering vacant, accessible units to a Family with one or more members with a disability requiring accessibility features of the vacant unit and occupying an assisted unit not having such features.

(Approved by the Office of Management and Budget under control number 2577-0169)

[60 FR 34717, July 3, 1995, as amended at 60 FR 45661, Sept. 1, 1995; 63 FR 23871, Apr. 30, 1998]

§ 983.203 Family participation.

Subpart E of part 982 of this chapter, *Selection for Tenant-based Program*, does not apply, except as it is expressly made applicable by this section.

(a) *HA selection for participation.* (1) The following provisions apply to this part: §§ 982.201, 982.202 except paragraph (b)(3), 982.203, 982.204 except paragraph (a) and (d), 982.205 except paragraph (a), 982.206, 982.207.

(2) For purposes of this part, a family becomes a participant when the family and owner execute a lease for a unit with project-based assistance.

(3) An HA may use the tenant-based waiting list, a merged waiting list, or a separate PBC waiting list for admission to the PBC program. If the HA opts to have a separate PBC waiting list, the HA may use a single waiting
